The contents of the `svst.bib` file

Mats Löfdahl

Institute for Solar Physics, Stockholm University

Printed 11:23pm, June 6, 2026

ABSTRACT

This document is generated mostly in order to test for serious BibTEX/LaTeX errors in **svst.bib**, a file with SST- and ISP-related publications, see **https://dubshen.astro.su.se/~lofda/publications/database/**. The document uses **natbib** and the **apalike** bibliography style.
